

Dear Premier Doug Ford and Minister Lisa MacLeod,

[your-message]

I support the policies recently adopted by Toronto City Council and Tourism Toronto, and believe the Ontario government should put its redevelopment plans for Ontario Place on hold, in order to **Keep Ontario Place For All**. I support the core principles of the group, **Ontario Place For All**: Ontario Place must be for ALL and kept publicly accessible.

I believe that before any changes are made to this iconic waterfront location, the Ontario government must work cooperatively with the City of Toronto, and engage in a thoughtful, comprehensive public review with full and robust public consultation.

Public Interest, not commercial interest, must drive the new vision.

Future plans must:

- Acknowledge the waterfront's Indigenous heritage.
- Maintain Ontario Place as part of Toronto's waterfront park system.
- Be integrated with the revitalization of Exhibition Place.

- Celebrate Ontario.
- Preserve Ontario Place as a recognized cultural heritage landscape including the Cinesphere, the Pods and newly added Trillium Park.

I ask for your support, and the adoption of a process that respects these principles.

As former Premier William G Davis has said, *"Ontario Place is and was a Crown Corporation so as to serve the public of Ontario - those living in the GTA and visiting from away. It would be a shame and a disservice if commercial gain replaced the public interest on the present site of Ontario Place."*

I look forward to hearing from you about your commitment to **Keep Ontario Place For All**.

Sincerely,
[your-name], *[your-email]*
